

Your Impact

LASTING

Your gift will multiply across time. Your generosity is an investment in a future of care and compassion.

POWERFUL

Your gift is amplified in scope because it is united with the gifts of other faithful Disciples.

COMPASSIONATE

Your gift makes a difference, as your generosity reflects back to the world God's enduring love.

Week of Compassion is the relief, refugee and development mission fund of the Christian Church (Disciples of Christ) in the United States and Canada. We seek to equip and empower disciples to alleviate the suffering of others through disaster response, humanitarian aid, sustainable development and the promotion of mission opportunities.

And God is able to provide you with every blessing in abundance, so that by always having enough of everything, you may share abundantly in every good work.

Securing a compassionate, long-term future for those suffering from disasters, poverty, hunger and displacement from home.

Invest in compassion through a **Week of Compassion Named Endowment Fund**

The future is unknown. What is certain is that families and communities will continue to be displaced from their homes by wars and disasters. People will continue to face hunger, poverty, and inadequate access to resources. Whatever the future brings, the church is called to be present, which makes your endowment gift all the more important.

You can ensure that no matter what challenges lay ahead- from changing funding patterns to more frequent disasters- you will be there for the least of these: feeding the hungry, welcoming the stranger, comforting the weeping, and caring for the sick.

Your Endowment Gift will make a difference **NOW AND INTO THE FUTURE**

A Week of Compassion Named Endowment Fund is easy to set up. You can start with any initial amount. All that is required is a commitment to grow your fund to at least \$1,000 over time. Congregations join the Week of Compassion Endowment Fund through the Circle of Compassion, with a required commitment to grow the fund to at least \$10,000 over time.

People from all walks of life – young and old, individuals and families, from many economic and cultural backgrounds – have established Week of Compassion Named Endowment funds. The fund can be in your name or named in memory or honor of a loved one.

Your fund, and your impact, increases through ongoing gifts and investment interest. Contributions are a perfect way to mark events such as birthdays, holidays, graduations, memorials, and many other special occasions.

GIVING COMPASSION

As your gift grows ...

...you guarantee an ongoing presence, providing relief for the suffering, recovery to families after disasters, and respite for refugees--today, tomorrow, and for generations to come.

Managed by the Christian Church Foundation (CCF), the Week of Compassion Endowment Fund continues to grow each year and provides yearly distributions to Week of Compassion. These funds not only provide for administrative expenses, but also ensure resources are available when disasters and crises occur or urgent humanitarian needs arise.
